Subject: Call for united action against gross injustice done to executives of finance wing.

Dear Comrade

You might be aware of the ongoing serious issue of our finance wing since last 15 days, wherein "Interest of service" transfers of JAOs are done purely on "Pick and Choose" basis, without any regard to transfer policy or stay particulars in the JAOs transfer order dated 25.7.2018. JAOs are protesting this order in a peaceful manner since more than a week now, by forming a human chain during lunch hours near the gate of Telecom Bhavan Navrangpura.

As we know the transfer policies are carefully devised by the competent authority in order to safe guard the interests of not only the employees but also the organization and to ensure transparency. Such discriminatory transfer order clearly violating the specific guidelines of transfer policy, defies the very spirit and purpose of transfers.

If tolerated now, it can start a wrong precedence in Gujarat circle and which would quickly spread to other sections, causing anarchy in the organization. Hence this issue should not be seen confined to any particular association, group or stream, rather it should seen as a gross injustice done to the whole executives fraternity of Gujarat circle.

Many times in the past, in the face of such injustice, we have promptly shed our differences and come together to save the rights & dignity of executives. Let us once again evoke the same spirit in us and stand up for this genuine cause, against injustice and reckless management of the finance wing.

Sincerely & Respectfully

P. Mathew Kochuvarkey
